SOUND OFF

Sound Off 729-4006 is an opinion forum. A place for readers to comment or unwind. To chime in, please call 729-4006 after 5 p.m. on weekdays and anytime over the weekend. Please leave longer messages at our web site at www.micomnews.com.

Cities, like New York, actually support police and fire departments

Hope this will be plain enough for you to understand.

The Westland Fire Department has purchased four beds for Fire Station 5 because, eventually, they hope to have four firefighters to staff the station that currently has

This way (I'm guessing), they won't have to come back and beg the voucher watchers for additional funds, otherwise you'll have 'em sleeping on the damn floors, and griping about slow response times.

Some cities actually support their fire and police departments for their efforts. NYFD/NYPD for

What do the Romulus mayoral candidates have up their sleeves?

I requested a printed political platform from both Mr. Lambert and Mayor Oakley and all I have received are job resumes.

I don't care what you have done in the past, gentlemen. I want too be able to read each of your platforms and what plans you have for the city of Romulus and its residents.

Even at a red light, through traffic has the right-of-way

In response to the Sound Off caller complaining about drivers being given a green on red lights, I must agree, but I would also like to point out another aspect.

The caller stated about all the people turning left on a red. In turning left from Ford Road to Venoy Road, I usually have to enter the intersection a little to guarantee that I will be able to turn left. I can't tell you how many cars run that light when it is clearly red, causing me to also turn left on a red.

Being that I am in the intersection, I can't avoid this. The law states that if I turn left when the light is yellow or red and someone in oncoming traffic runs that red light and hits me, I am at fault because I have failed to yield.

Lambert makes pitch to Chamber

Lambert was the guest speaker at last week's Chamber of Commerce luncheon. Lambert highlighted points in his campaign

the large gathering at the Doubletree Hotel.

Among many items discussed, Lambert indicated that

Mayoral candidate Alan and answered questions from he would emphasize "openness" in his administration and would make it a priority to work closely with the business

dead for

crew, working in the Monroe area, caused Romulus, and several surrounding communities, to lose access to their 911 phone lines last Friday

According to Romulus' Commander Jim Rafalski, last Friday at approximately 5:45 p.m., Ameritech workers accidently cut the 911 line phone lines affecting Romulus, Monroe and Van Buren Township.

A caller alerted the police

An Ameritech construction 5:30 p.m. - 5:45 p.m., and be-through the cable system. cause of the seriousness of the problem, police immediately tried to implement their contingency plan of re-routing the 911 calls to a neighboring com-

In emergency's of this nature, Romulus police normally re-route its 911 calls to Monroe.

Unfortunately, Monroe's 911 phone lines had also been cut, as had Van Buren Township's phone lines.

Romulus' only recourse was to the downed lines between to send an emergency message

Romulus police have the authority to override the city's cable system to send messages to the community in emergency situations

Residents were instructed to call the general business line at (734) 941-8400, until the 911 phone lines were restored.

Commander Rafalski said the 911 phone lines were down for approximately 4 hours and that Romulus residents didn't experience any emergency that was not answered.

3 of 5 MEAP scores better than average

The Romulus School District has scored above state average in 3 of 5 categories in MEAP tests that were administered to fourth and fifth grade students last win-

Curriculum Director Tom Dolan said, "this is the first time that the district has scored above the state average in any subject and we are excited with the re-

Seventh graders, however, did not fare so favorably with their MEAP tests. Some categories were down, a few up, but overall none were better than the state average

The three tests in which Romulus students exceeded state averages were 4th grade Math (72.5 versus 72.3), 5th grade Science (46.8 versus 41.6), and 5th grade Writing (68.8 versus 61.1).

Superintendent Joel Carr was pleased with the results. "The MEAP scores are indicative of the dedication, determination and expertise of our staff, "he said.

Dolan added, "Our summer workshops for teachers, summer school programs for 700 students, after school tutorial programs and state leading technology programs have all combined to allow Romulus to best the state averages.

Cogswell Road improvements

spirits of those who joined Mayor tember 14. William Oakley for the Cogswell

The rain didn't dampen the Road Dedication, last Friday, Sep-

On hand for the ribbon cutting

Rain didn't stop city officials from coming out to the ribbon cutting ceremony for the re-opening of the recently reconstructed Cogswell Road. Last Friday. Standing from left to right: Councilman Bill Crova, Mayor William Oakley, Councilman Don Morris and DPW Director David Paul.

ceremony, that took place on Cogswell Road at Ecorse, was Councilman William Crova, Councilman Don Morris, and Dave Paul, Director, of Romulus' Department of Public Works.

Herb Lamkin, Executive Vice President, Wade Trim, the engineering company that designed the plans and reconstructed Cogswell Road, and Rick Kincaid, the Cogswell Road Project Manager, representing Dan's Excavating, were also present at the dedication ceremony.

The 1.5 mile reconstruction of Cogswell Road and the replacement of the old 2-lane roadway with a 3-lane concrete roadway took nearly 2 years to bring into fruition - one year to plan, one year to build.

The original 2-lane roadway, built with a bituminous (asphalt/coal tar) material, had deteriorated.

Also part of the project was the widening of the bridge over the McClaughrey Drain, and the enclosure of part of the drain to eliminate a safety hazard.

Jasmine Bleeth un vol prompts media frenzy

By ANN PARKER MCN Special Writer

According to Commander David Early, of the Romulus Police Department, it seems everyone is digging for more details about what happened to Baywatch's Jasmine Bleeth in our backyard last week.

Bleeth spent 12 hours in the Romulus jail last week, after police found cocaine and drug paraphernalia in the rented car she crashed into the highway median on Eastbound I-94, while in route to visit her boyfriend's family in Birmingham.

Early was contacted by so many national and local media organizations, that it was difficult to keep track of them.

They also had so many questions - most were not answered because the case is on-going and Bleeth has not been formerly charged - some were difficult to remember.

Some of the questions hurled at Commander Early were: Who is her boyfriend? Was her boyfriend a passenger in the car? Was her boyfriend jailed? What kind of rental car was she driving? What was she wearing? What did she look like? Could they have a copy of her mugshot? Could they have a copy of the police report?

Only the persistent ones - the National Enquirer, Parade Magazine, People Magazine, Entertainment Tonight, Entertainment Weekly, Associated Press, Headline LA, Access Hollywood, EX-TRA, and Court TV - were able to uncover a few additional facts other than those printed in last Thursday's paper.
Some Metro area media organ-

izations were equally as persistent to obtain additional tidbits. Early spoke with representatives from WDIV-TV, Channel 4, The Fox Network, WXYZ, Channel 2, ABC, Channel 7, WWJ Radio, WRIF Radio, and probably a few

In any case, these are the new facts uncovered for all the inquiring minds:

Bleeth's boyfriend was a passenger in the vehicle she crashed

Bleeth's boyfriend's name was

on the median.

Some of the information they asked for is none of anybody's business. Compassion for the victims and their families should outweigh the news value in some cas-

of test results.

Inquiring minds - what do you think?

NEWS FROM THE CITY OF WAYNE

March against Violence YWCA to hold rally on October 13

Violence is all shapes and forms must stop.

And if you want to help prevent the violence in the neighborhoods and on the streets, you can help send the message to those who violate the laws of the land.

The YWCA of Western Wayne County will kick off a "Week Without Violence" with a "March and Rally Against Violence", scheduled for Oct. 13.

Wayne City Councilwoman Donna McEachern has been named as the chairperson for the 2001 program.

"We are urging individuals and groups who are fed up with violence to make a positive statement by joining the march," McEachern stressed.

The march will begin at 10 a.m. at Michigan and Gulley Road, in Dearborn Heights. It will head

west-bound on Michigan Avenue and culminate at the YWCA facility for a rally and refreshments.

Youth and adults of all ages are invited to participate. Musicians and floats also are welcomed. McEachern says that all those who wish to register for the march should contact the YWCA.

The contact person is Monica, and she may be reached at 313-561-4110, extension 19.

Jennifer Granholm, the Attorney General of Michigan, is lending her support to this non-violence stand. Judy Hartsfield, of the Attorney General's Department of Child and Youth Services, will be one of the keynote speak-

Service clubs and organizations of many communities have joined the non-violence crusade as co-sponsors of the march. The list includes but is not limited to Dearborn and Wayne Rotary, Wayne BPW, FIA of Romulus, Belleville Chamber of Commerce and UWCS of Western Wayne.

The march and rally are the first events of a week long series of topics focused on critical issues of violence. The YWCA Week Without Violence is designed to draw attention to non-violent alternatives

The YWCA urges that community institutions and groups make a point of taking a stand against violence so that the result is a much larger ripple effect than anything that the YWCA could do as one. YWCA personnel would like to hear from the community about its non-violent efforts.

Also, mayors and council have been invited to join the effort by adopting a resolution in support

The Week Without Violence is highlighted with - A Day of Remembrance (Sunday, Oct. 14); Protect Our Children (Monday, Oct. 15); Make Our Schools Safer (Wednesday, Oct. 16); Confront Violence Against Women (Wednesday, Oct.17); Face Violence Against Men (Thursday, Oct. 18); Eliminating Racism and Hate Crimes (Friday, Oct.19); and Replacing Violence with Positive Leisure (Saturday, Oct. 20).

The YWCA of Western Wayne County provides a variety of school-based programs that confront violence and drug prevention with youth of all ages throughout the communities of western Wayne County.

The YWCA's administration building is located at 26279 Michigan Avenue in Inkster.

City announces leaf-collection policy

Wayne Department of Public Works officials this week announced that the DPW will begin collecting leaves in October. The annual program will be launched on Oct. 8, according to Gary Clark,

DPW director. "We will collect leaves raked into the gutter on city-maintained paved streets only," Clark stated.

"In order to help city employees to facilitate leaf removal, we are encouraging residents not to park their cars in areas where leaves traditionally accumulate."

Weather permitting, the program will continue through the week of Nov. 18, Clark added.

The DPW director cautioned that "anyone raking debris into the gutters after Nov. 25 may be subject to a fine.'

Curbside collection of yard waste in appropriate containers will also continue to be collected through Friday, Dec. 14.

As a reminder to residents, leaves or yard waste may not be put in plastic bags. Standard metal or rubber containers with "Yard

Waste" stickers or brown paper yard waste must be used when putting leaves or yard waste out for compost collection.

Residents are welcomed to contact the DPW offices regarding leaf collection or any other DPWrelated matter by dialing 721-8600 during regular business hours.

Figure skaters to stage fundraiser

The Wayne Figure Skating Booster Club is hosting an Adult Halloween Party to raise funds for the skaters.

The boosters are planning the party for 7 p.m. until midnight on Oct. 5, at the Wayne Community Center. The Community Center is located at 4635 Howe Road, off of Annapo-

Advance tickets are \$15 per

person, and tickets also will be available at the door for \$20.

The ticket price includes hors d'oeuvres, beer, wine and

There will be prizes award-

ed for the best costume as well as door prizes.

For further information, please contact Kathy Martin, at

Santa Claus is coming to town and needs helpers

Although some will not believe it, but Santa is really, truly preparing to come to town.

Just ask any member of the Wayne Rotary Club - they'll tell you it's true.

And, in preparation for Old St. Nick's arrival, the local Rotarians are looking for organizations and clubs and individuals to participate in their annual Christmas Parade.

The Wayne Rotary Christmas Parade will be staged beginning at 10 a.m. on Saturday,

If you are interested in participating in the parade this

year, please contact parade chairperson, Donna McEachern. McEachern may be reached by phone by dialing 734-721-0100

CITY OF INKSTER ABSTRACT REGULAR COUNCIL MEETING

THE City Council met at 7:34 p.m. in the Council Chambers on Monday, September 4, 2001, Present: Councilpersons E. Hendricks (arrived at 7:45 p.m.), Bostedor, Coleman-Richardson, M. Here's how to get a child to listen

Do you want to learn how to get your child to listen, really listen to

Well, the Wayne-Westland School District, through its Family Resource Center, is offering a course that may assist you to reach that goal, and others.

The Family Resource Center is hosting several pertinent classes, beginning with "How To Get a Child to Listen" to help parents deal with the age-old problems of child rearing. The classes are for eight-weeks and kick off at 7 p.m. until 9 p.m. on Oct. 1.

On Oct. 2, a five-week course on Tuesdays, from 8 a.m. until 11 a.m., will offer "Hot Tips for Parents", and on Oct. 4, beginning at 7 p.m. until 8 p.m., you can "Learn How to Make Ends Meet and How to Make It on What You Have."

The Family Resource Center, located at Lincoln Elementary School, 33800 Grand Traverse in Westland, may help families find the answers to tutoring, substance abuse, grief counseling, teen pregnancy, housing and much more.

The center also offers either free or low-cost parenting workshops that can help parents navigate their way toward developing a unique, independent, self-re-

Family Resource Center director Jacque Martin-Downs stresses

that all inquiries are completely confidential. She added that she has a large resource network that can help families with whatever kind of challenge they face.

Business people show how to deal with tragedy

The twin tragedies that played havoc on our restaurant of nation a couple of weeks ago have forced us all to take time out and reflect about what is truly important-family, God and our country. For two local businessmen, the events were even more meaningful.

John Rogin, a successful auto dealer who recently moved his Buick dealership from Wayne to Livonia, has had a tumultuous week. Beyond the unbelievable tragedies our nation was facing, Rogin is grieving more than most. He lost both his parents, one on Wednesday and one on Saturday.

Talk about being down in the dumps. Talk about someone needing to escape- an extended warm weather vacation preferably. That's not what Rogin has in mind.

One of his fondest memories as a kid, was attending Tiger baseball games with his dad and mom. He vividly remembers the stars of old, the singing hot dog vendors and how special it was to spend a day at the ball park.

He decided that the most patriotic thing he could do, as well as stir up fond memories from the past, was to sponsor a flag-waving night at the new Comerica Park. Thus on Saturday he placed a call to the Detroit Tigers and asked to buy every available ticket to this Friday's game.

Rogin then placed radio spots on six local stations, hired seven phone operators, and proceeded to give tickets away. That's right, John Rogin is giving away tens of thousands of tickets to Friday nights game.

"I want to fill the ball park up," said Rogin, "with patriotic, flag-waving Americans."

He added, "It is my way of saying that I will not allow anyone to alter our American- way of life. I want to show the terrorists that we have rebounded from the horror of two weeks ago."

Tickets are probably still available although 1,168 were claimed the first hour operators were working on Monday morning. Call 1-800-

Rogin is a true American. He probably has written a check for nearly \$100,000 to allow thousands of distraught families to have a good time.

Bashar Alhiemid is a good American, also. His restaurant chain (Beehive) is the most popular

its type in Western Wayne. He has grown his empire from one restaurant to four in seven years.

A native Syrian, Alhiemid was pulling his hair out on September 11. His mother was flying from Damascus to New York City, aboard a KLM jet, to make a connection that would eventually bring her to Detroit, and son Bashar.

At the time the first jet crashed into the World Trade Center, Alhiemid froze. Could his mother be aboard? And then jet number two crashed, and he was in a panic. It made perfect sense to him that terrorists would hijack a jet departing from Syria. Fortunately it was soon reported that the hijacked jets were domestic.

But that was only the beginning of an oddysey for his mother. Only an hour away from New York City, the jet was ordered to turn around. It eventually landed in Ireland, where mom was laid over for two days. Then she boarded a plane that flew her to Jordan, and eventually she was able to return to Syria.

Mom was fine, but Alhiemid's cousin is one of the missing. Amed Sharab is a computer engineer who worked on the 67th floor of the World Trade Center. He was in his office at the time of the tragedy and Bashar has not heard from him since.

Alhiemid spent the first few days walking around his Wayne restaurant, numb. He could only think about his mother and cousin. He spent hours watching his satellite TV, channel flipping between CNN and a Lebanese channel.

But life goes on and Bashar, and John Rogin, know that well. Despite their grief, they both believe in what President Bush and Mayor Guilliani are expousing- a return to normalcy. That return, more than anything else, will show the terrorists that they can never destroy the American spirit.

GUITY UNTIL PROVEN INNOCENT...

Return to normalcy we must

The flags waving, the patriotic singing, the generous giving couldn't take my mind off last week's terrorist massacre.

The shock intensified for me when, on my car radio, I heard UM college students protesting the War on Terrorism; and when, getting on I-275, I drove by graffiti praising Osama bin Laden

But on Monday morning, chilly wet winds drove down sheets of gray clouds, blew out the glow of summer, and washed the hot thoughts out of my head.

Caught in an open-collar shortsleeve shirt, I chilled out until I was able, between sneezes, to follow President Bush's command: Return to normal.

Others had returned to normal last week under balmier skies. War or not, on Friday my daughter's physics teacher had assigned another 40 homework problems that, normal to my aging mind, seemed insoluble.

On Saturday morning, green and romaine lettuce were still more expensive and no fresher at the Ann Arbor Farmers Market than at my corner grocer in Can-

On Sunday, again in Ann Arbor, the usual long crowds still lined up at Zingerman's, where the calorific deli's world famous hot pastrami still ravished taste buds. The Tigers still lost. The Lions

still tried. The Fighting Irish still struggled with the Spartan curse, though no longer under the Goodyear Blimp. Potholes at Ford and New-

burgh roads in Westland still fiendishly sneered at World War II vet Jan Plonski.

Mayor Bob Thomas, who on Friday, disaster relief cup in hand, astonished Westland motorists with a rare public appearance outside of City Hall, on Saturday returned to his normal hideout.

Normal — well, almost normal free speech in our Sound Off column continued to miff rookie Westland Councilman Joe Eadeh and veteran council-watcher Mildred Evans.

The column — disreputable to

Ivan Helfman

Vantastic

some, Western Wayne County's safety value to others - continued to divert steam from local jihads, including a doozy between a few former recall workers.

In the Westland city council, sanitation millage, and elected clerk city charter amendment election campaigns, candidates (with few exceptions) and proponents (with no exceptions) continued to dodge issues as normal. So, just like before the attack, Westland voters have no idea why they should elect their city clerk but not their dogcatcher. Why they should bailout the mayor and city council from their decision on behalf of special interests to burn millions of dollars in the incinerator. Or how to elect a new council majority that will castrate the Thomas machine.

In Canton, neither news of the attack nor discovery of bin Laden's terrorist manual were discombobulating enough to prevent the township board from carrying on as usual.

With the bill for overdevelopment coming due, the township board raised general fund taxes four mils, snatching the money from the police fund. The money will be spent expanding Canton Softball Center instead of protecting pedestrians from speeders on the township's poorly designed roads and subdivision streets or protecting unsuspecting park patrons from hot-to-trot principals.

I had been hoping that passages in the bin Laden manual instructing terrorists to blend into anonymous American suburbs like Canton would have swayed board members to back out of enlarging the anonymous brick box known to township officials and worker bees as the Administra-

tion Building. To others, baffled by the bland exterior and Kafka facade, nobody knows what to call it or how to feel about it.

I had hoped that the board would shift its generous subsidies from the faceless bureaucrats at Growthworks, the Canton Softball Center, and the Summit's banquet rooms to families, neighborhood baseball diamonds, and private banquet halls to strengthen faceto-face bonds between neighbors and neighborhood businesses.

I had hoped that Canton would support Cherry Hill Village's plans to create neighborly spaces, such as small parks, dramatic plazas, tree-lined squares, children's playgrounds, and intimate promenades instead of creating mounds of sterile buffers, yards of monster setbacks, hundreds of tree islands in oversized parking lots, and a few fenced drainage pits.

Reportedly, Supervisor Tom Yack dissed the neighborly proposal, saying that it lacked open space.

"Scary!" a township planner later said.

As supervisor, Yack may champion to his heart's content the kind of suburban sprawl that makes fertile ground for an assortment of bad guys and parasites that vanish into anonymous communities. But not in Cherry Hill Village, where he has made a commitment to build a traditional community with real neighborhoods, pedestrian-friendly streets, and human-scale spaces instead of a car-centered subdivision.

Like a drunk who attends AA meetings, the sprawl-addicted supervisor should stay on the wagon by sticking to the 12-step program. But by belting down a couple shots of open space rhetoric, he's not sticking to the Village's 12-step anti-sprawl program.

As few drunks can stay on the wagon by switching from whiskey to wine, few supervisors can stay on the smart growth wagon by switching from suburban to village sprawl. That is not normal and return to normalcy we must.

Politicians ducking the issues

When a politician is reluctant to talk about an issue, it's a pretty safe bet he believes his position on that issue is not popular with the voters. That's probably why you wont hear much about several important issues that should be controversial, at least not until after the November elections.

In Romulus, there are two local issues that should receive a public airing at televised council meetings, but probably won't.

Several weeks ago an attempt was made by two council members to change rules on public participation at council meetings. The current practice allows attendees to comment on any agenda item before the council votes. The proposed change would have limited public input to a discussion period after votes had been taken.

The move was defeated at that meeting but a study session was scheduled for Nov. 26 for further consideration. When opposition developed to waiting until after the November election, the session was rescheduled for Oct. 8. Study sessions are not normally televised and council members rarely make commitments until an actual vote is taken at a regular meeting.

In this writer's opinion, the study session should be televised and a vote scheduled before the election to either confirm the current practice or make changes.

Another issue that could have significant financial impact on the city is whether or not to join with Wayne County in its Pinnacle project. The city would lose control to the county of millions of dollars in incremental property tax revenues if it does join. Council members and challenging candidates should go on record, before the election, as to how they will vote when the issue is decided. A third issue with statewide im-

plications is the so-called "blighting" ordinance. A proposed state law, backed by Governor Engler and lobbyists for developers and contractors would authorize cities to adopt ordinances regarding blighted property.

Cities could condemn and take property if it was not being used. (regardless of zoning) as the council thought it should be. The property would then be "sold" to developers at a "negotiated" price (which could be less than fair market value, but higher than paid to the property owner under condemnation). Council members

and candidates should oppose the proposed state law and promise not to adopt such an ordinance even if allowed by state

The fourth issue would impact all state residents. Governor Engler and most politicians are pushing a law that would have Michigan join a compact with other states (with congressional approval) that would eliminate any cap on the state sales tax (currently 6 percent) and could subject all goods and services to sales and use taxes. Those states joining the compact could force companies in other member states to collect the tax on goods (and services) and pass it on to customers in Michigan. Those taxes would then be remitted to state government in Lansing.

While city councils will have no direct say in passage of the state legislation, they could influence the outcome by passing resolutions opposing it But don't hold your breath. Many are in favor of it because they have been led to believe that the state government will share the additional tax revenue with the cities (not an ironclad guarantee).

It would take public pressure on both city councils and state legislators to stop this movement. Passage of the bill is a top priority of Governor Engler and many Republican leaders.

SOUND OFF EXTRA

High phone charges could send people to the poorhouse

I saw Ben E. Jet's column about the calling card surcharges.

How about now that they've raised the pay charges to 50 cents. Are they trying to eliminate pay phones or send people to the poor-

Also, people are knocking Ben E. Jet for saying that Angela Todd is a celebrity. The fact that people are talking about her makes her one. People are talking about her and that keeps her in the limelight.

Hope Gracins nail Cox and Griffin for 'frivolous' lawsuit

Real nice of Cox and Griffin to offer to drop their lawsuit. Sort of like the looser in an argument says "I let you win."

What about all the money this suit has cost the Gracins? And Mr. Cox's use of the word "frivolous" makes me very angry. How dare they waste the court's time in trying to prosecute innocent people. This is our tax money people!

And to use the recent tragedy in New York as a reason to let "bygones be bygones" is an insult to each and every citizen.

I hope the Gracins continue their suit and nail their butts to the wall for, at the very least, attorney costs. We need to send a message to people that you cannot use the court system for malicious prosecution!

Hope Westland's sharks have mercy on the new council

Pick your favorites for Westland

City Council. We all have our own. But I'm looking for candidates who will be able to work with those they might not agree with. That is an important quality in an elected official.

And after the November election, please let the new council people get their feet wet before Westland's own sharks began circling in search of blood.

Hypocritical for LeBlanc to complain about pensions

It is hypocritical for LeBlanc and his supporters to question the hard-earned pensions of Price and other candidates.

I noticed on one of LeBlanc's cable broadcasts that, if elected mayor, he would accept a pension at the end of his second term.

So what's the difference — one

term, two terms? I've lived in Westland for a number of years and mayors always run for two terms.

This is more rhetoric from a dishonest politician. Shame on you Mr. LeBlanc.

DeHart — a good choice for LeBlanc's administrative assistant

Good choice by Westland mayor candidate Richard LeBlanc for (Councilwoman Eileen DeHart) his (possible future) administrative assistant.

Council President Sandra Cicireli's choice for Mr Cox was not as wise. She voted o put him on council and now (this caller wildly speculates) she'll have him as her assistant. How stupid is that?

LETTERS FROM OUR READERS

Support the country that supports you

My name is Sharon Church and I was a customer in the nail salon on Sept. 14.

I overheard a customer say. "Today the media is asking that all people sing God Bless America at approximately 1:00 p.m.'

A few minutes later one of the nail technicians in the shop said to the customer who made the statement, "Don't you sing that song in my shop. You sing it in your heart or you go outside but I don't want to hear it." (Mind you the customer was not singing).

The owner of the shop and the customer began debating back and forth and for some odd reason the owner told the customer to get out of her shop right now (the customer was in the middle of a manicure) so the customer started to walk out and the owner said, "Hey, you gotta pay me."

The customer said, "Either you are going to put me out or you are going to treat me like a paying customer." The owner swiftly walked over to the door, locked it, and told the customer that she was not going anywhere. I am uncertain if it was out of

fear or what, but the customer sat back down in her seat and said, "You know this is kidnapping.

At this point I paid and proceeded to leave the shop and I told the owner, "You are wrong as you know that right now is a very sensitive time in the USA." The owner replied that this is her shop and she has freedom of speech. She said, "That is what is wrong with Americans, all they want to do it fight." I did not know what to do. I was very upset. I left and was very worried and concerned about the scared lady who I left sitting at the nail salon asking if someone would call the police.

I have never seen such a thing. I will not support this establishment again, with their attitude about our country and I hope other Americans will feel the same way. It is one thing to love our freedom and our money but you should also love our country if you are going to live off our milk and honey.

Sincerely, Sharon Church

Romak for free speech

To the editor:

I believe your article on 'Council Residents debate Audience Participation" published September 13, 2001, makes my position unclear and must be clarified.

I am a firm believer and advocate of public participation. Every citizen has the right to speak under any agenda item they wish with no time restraints.

I am NOT in support of hindering or adhering to any time restraints when a citizen wishes to petition council or chooses to speak under any agenda item. All of our citizens questions and concerns should be addressed

before council takes action on any matter. Your article did not reflect my position.

Council has been practicing, since February 1983, a threeminute rule if a citizen wishes to speak under discussion, which may be extended through the chair. Also, city council has rescheduled a study session pertaining to this matter on October 8, 2001, at 7 p.m. in the council chambers.

Thank you for the opportunity to once again clarify my position on public participation.

Sincerely, Debbie Romak Romulus City Councilwoman

BOND AUTHORIZING RESOLUTION MICHIGAN TRANSPORTATION FUND REFUNDING BONDS,

SERIES 2001 City of Inkster County of Wayne, State of Michigan

WHEREAS, Act 175, Public Acts of Michigan, 1952, as amended ("Act 175") permits the City to refund bonds issued under Act 175 at any time they are callable under the terms of the bonds; and

WHEREAS, in order to achieve savings on its debt service payments the City Council tentatively determines that it is in the best interest of the City to refund a portion of its Michigan Transportation Fund Bonds, dated December 21, 1994 (the "MTF Bonds"), callable and maturing on August 1 in the years 2005 to 2014, inclusive, in the aggregate outstanding principal amount of \$1,550,000 (the "Prior Bonds"), previously issued by the City pursuant to Act 175 to pay a portion of the cost of Project, as hereinafter defined;

WHEREAS, the cost of refunding the Prior Bonds is estimated to be One Million Seven Hundred Eighty-Five Thousand Dollars (\$1,785,000); and

WHEREAS, to finance the cost of refunding the Prior Bonds the City Council deems it necessary to borrow the sum of not to exceed One Million Eight Hundred Thousand Dollars (\$1,800,000) and issue refunding bonds therefor as authorized by the provisions of Act 175; and

WHEREAS, the revenues received by the City from the Michigan Transportation Fund pursuant to Act 51, Public Acts of Michigan, 1951, as amended ("Act 51") in the year preceding this contemplated borrowing are more than sufficient to comply with all the requirements specified in Section 4 of Act 175; and

WHEREAS, proceeds of the MTF Bonds were used to finance part of the Beech Daly Road improvement project (the "Project") described in that certain tax increment financing and development plan, as amended (the "Plan") for the development area described therein as proposed by the City of Inkster Tax Increment Finance Authority (the "Authority") and approved by the City pursuant to Act 450, Public Acts of Michigan, 1980, as amended ("Act 450"); and

WHEREAS, to finance the remaining cost of the Project, the Authority issued its Tax Increment Development Bonds, Series 1994 (together with any bonds issued to refund all or any portion of such bonds, the "TIFA Bonds") in an aggregate principal amount of \$1,760,000, which TIFA Bonds are secured by and payable primarily from tax increment revenues as defined in Act 450 (the "Tax Increment Revenues"), and secondarily from a limited tax full faith and credit pledge of the City; and

WHEREAS, because the Tax Increment Revenues were anticipated to be insufficient to finance the total cost of the Project, the Authority requested and the City issued the MTF Bonds on behalf of and for the benefit of the Authority to finance a portion of the remaining cost of the Project; and

WHEREAS, the City is willing to issue the refunding bonds authorized hereby on behalf of and for the benefit of the Authority in reliance upon the continued obligation of the Authority to reimburse the City from Tax Increment Revenues (i) for the costs of the MTF Bonds remaining outstanding and the bonds to refund the Prior Bonds, including debt service and costs of issuance thereof, and (ii) for any amounts advanced by the City to pay debt service on the TIFA Bonds; and

WHEREAS, the MTF Bonds and the TIFA Bonds were sold to the Michigan Municipal Bond Authority (the "MMBA") and the City Manager has preliminarily determined to sell the refunding bonds by a negotiated sale to the MMBA subject to the City's filing of the necessary application and approval thereof by MMBA; and

WHEREAS, prior to issuance of refunding bonds the City must secure approval of the refunding bonds from the Michigan Department of Treasury (the "Department"); and

WHEREAS, the City has retained the law firm of Miller, Canfield, Paddock and Stone, P.L.C. to act as its bond counsel for this financing; and

WHEREAS, Miller, Canfield, Paddock and Stone, P.L.C. has also been selected to act as bond counsel to MMBA in connection with the issuance by MMBA of its bonds, the proceeds of which will be used to purchase the City's refunding bonds authorized hereby; and

WHEREAS, Miller, Canfield, Paddock and Stone, P.L.C. has advised the City that its has represented First of Michigan Corporation - Division of Fahnestock & Co. Inc., which is the financial advisor for the City and the lead underwriter for the bonds to be issued by MMBA, other potential underwriters of MMBA's bonds, not in this transaction, but in other unrelated matters.

NOW, THEREFORE, BE IT RESOLVED THAT:

- 1. The estimated of cost of refunding the Prior Bonds of \$1,785,000 is hereby approved and adopted.
- 2. The City Council hereby determines to borrow the sum of not to exceed One Million Eight Hundred Thousand Dollars (\$1,800,000) and issue bonds of the City therefor pursuant to the provisions of Act 175 (the "Bonds"), for the purpose of providing funds to pay the cost of refunding the Prior Bonds on behalf of and for the benefit of the Authority pursuant to the Plan and Act 450, including the cost of all legal, financial and other issuance costs and fees of MMBA.
- 3. The Bonds shall be designated MICHIGAN TRANSPORTATION FUND REFUNDING BONDS, SERIES 2001 and shall consist of bonds registered as to principal and interest of the denominations of any multiple of \$5,000 not exceeding for each maturity the maximum principal amount of the Bonds of that maturity and numbered consecutively in order of registration of transfer from 1 upwards. The Bonds will be dated the date of initial delivery (or such other date as determined by the City Manager at the time of sale thereof) and be payable on August 1st (or such other date as determined by the City Manager at the time of sale thereof), of each year as follows:

YEAR	AMOUNT	YEAR	AMOUNT
2002	\$ 30,000	2009	\$ 165,000
2003	30,000	2010	170,000
2004	30,000	2011	180,000
2005	145,000	2012	185,000
2006	145,000	2013	195,000
2007	155,000	2014	200,000
2008	155,000		

In the event the City Manager changes the aggregate principal amount of the Bonds as authorized herein or otherwise determines it is necessary to facilitate the sale of the Bonds to MMBA, the City Manager is authorized to change any of the foregoing maturities at the time of sale of the Bonds.

The Bonds shall bear interest at a rate or rates to be determined by the City Manager on sale, which rate or rates however shall not exceed five percent (5.0%) per annum, payable on February 1, 2002 or such other date determined by the City Manager at the time of sale, and semiannually thereafter, by check or draft mailed by the transfer agent to the person or entity which is, as of the 15th day of the month preceding the interest payment date, the registered owner at the registered address as shown on the registration books maintained by the transfer agent. The date of determination of registered owner for purposes of payment of interest as provided in this paragraph may be changed by the City to conform to market practice in the future. The Bonds will be subject to redemption or not and be payable in the manner set forth in paragraph 9 hereof; provided, however, the City Manager is hereby authorized to (a) modify the redemption provisions in order to effectuate sale to the MMBA provided the premium on the earliest redemption does not exceed 3% or (b) to delete the redemption provisions from the Bonds.

- 4. The Bonds shall be executed in the name of the City with the manual or facsimile signatures of the Mayor and the City Clerk and shall bear the actual or a facsimile of the City seal. As hereinafter described, the Bonds will be initially sold to the MMBA. If MMBA transfers the Bonds, the City shall cause replacement bonds to be printed, authenticated and delivered to the transferee thereof in accordance with instructions from the City Treasurer and such Bonds shall be executed with the facsimile or manual signatures of the Mayor and the Clerk and the seal of the City shall be impressed or imprinted thereon. Executed blank bonds for registration and issuance to transferees shall simultaneously, and from time to time thereafter as necessary, be delivered to the transfer agent for safekeeping. No Bond of this series which is signed by the facsimile signature of the Mayor and Clerk shall be valid until authenticated by an authorized signature of the transfer agent designated by the City Treasurer.
- 5. Any Bond may be transferred upon the books required to be kept pursuant to this section by the person in whose name it is registered, in person or by the registered owner's duly authorized attorney, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the transfer agent. Whenever any Bond or Bonds shall be surrendered for transfer, the City shall execute and the transfer agent shall authenticate and deliver a new Bond or Bonds, in like aggregate principal amount. The transfer agent shall require the payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. The date of determination of the registered owner for purposes of payment of interest as provided in this resolution may be changed by the City to conform to market practice in the future. The principal of the Bonds shall be payable at the office of the transfer agent designated by the transfer agent except as provided in the form of Bonds. If and so long as the Bonds are held by the MMBA, (a) the City Clerk shall perform the notification, bond registration and transfer functions of the transfer agent for such bonds held by the

MMBA and (b) provisions relating to transfer of the Bonds may be added to or deleted from the forms of Bonds as necessary; otherwise, the City Clerk shall perform, or designate a transfer agent to perform, the above described functions and add transfer agent provisions to the Bonds.

Except as otherwise provided in the Bond form and unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the transfer agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates; CUSIP numbers, if any; certificate numbers (and in the case of partial redemption) the called amounts of each certificate; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the transfer agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

6. To provide moneys to pay the principal of and interest on the Bonds and in accordance with the provisions of Act 175, there is hereby made an irrevocable appropriation of the amount necessary to pay the principal of and interest on the Bonds from the moneys to be derived from State-collected taxes returned to the City for highway purposes, pursuant to law. The Bonds are of equal standing with other bonds issued by the City payable from said statecollected taxes, and the City may issue additional bonds payable from said state-collected taxes within the limitations prescribed by law.

The City Treasurer is directed, each year that any of the principal of and interest on the Bonds remains unpaid, to set aside in a separate depositary account, to be designated 2001 MICHIGAN TRANSPORTA-TION FUND BONDS DEBT RETIREMENT FUND (the "2001 Debt Retirement Fund"), sufficient moneys from revenues received during such year from the Michigan Transportation Fund pursuant to law to pay the principal of and interest on the Bonds next maturing.

7. The proceeds of the Bonds shall be used to pay the costs of issuance of the Bonds and to secure payment of the Prior Bonds as provided in this paragraph. Upon receipt of the proceeds of sale of the Bonds the accrued interest and premium, if any, shall be deposited in the 2001 Debt Retirement Fund for the Bonds. From the proceeds of the Bonds there shall next be set aside a sum sufficient to pay the costs of issuance of the Bonds in a fund to be designated the REFUNDING BOND ISSUANCE FUND. Moneys in the Refunding Bond Issuance Fund shall be used solely to pay expenses of issuance of the Bonds. Any amounts remaining in the Refunding Bond Issuance Fund after payment of issuance expenses shall be transferred to the 2001 Debt Retirement Fund for the Bonds.

The balance of the proceeds of the Bonds together with any moneys transferred by the City at the time of sale of the Bonds from the debt retirement funds for the Prior Bonds and any other available funds of the City, shall be held as cash or invested in direct obligations of or obligations the principal of and interest on which are unconditionally guaranteed by the United States of America or other obligations the principal of and interest on which are fully secured by the foregoing (the "Escrow Funds") and used to pay principal, interest and redemption premiums on the Prior Bonds. If applicable, the Escrow Funds shall be held by a Trustee (the "Trustee") in trust pursuant to an Escrow (the "Escrow") which shall irrevocably direct the Trustee to take all necessary steps to call any Prior Bonds specified by the City Manager upon sale of the Bonds for redemption, including publication and mailing of redemption notices, on any date specified by the City the respective series of Prior Bonds may be called for redemption. The investment held in the Escrow Funds shall be such that the principal and interest payments received thereon will be sufficient, without reinvestment, to pay the principal, interest and redemption premiums on the Prior Bonds as they become due pursuant to maturity or the call for redemption required by this paragraph. Following establishment of the Escrow Funds, any amounts remaining in the debt retirement fund for the Prior Bonds shall be transferred to the Debt Retirement Fund for the Bonds. The City Manager is authorized to select the Trustee to serve under the Escrow.

8. Pursuant to Act 175, and as additional security for the prompt payment of the principal of and interest on the Bonds, there is hereby irrevocably pledged the limited tax full faith and credit of the City, and in the event of insufficiency of funds primarily pledged to the payment thereof, the City covenants and agrees to provide for such insufficiency from such resources as are lawfully available to it, including Tax Increment Revenues to be received from the Authority as described below.

The City is issuing the Bonds in reliance upon the continuing obligation of the Authority to reimburse the City from Tax Increment Revenues (i) for the entire costs of the MTF Bonds and the Bonds, including debt service and costs of issuance, and (ii) for any amounts advanced by the City to pay debt service on the TIFA Bonds pursuant to the City's limited tax full faith and credit pledge securing the payment thereof The City anticipates that in each year hereafter, any Tax Increment Revenues legally available and in excess of amounts which are required to pay the then current debt service on the TIFA Bonds, if any, shall be paid to the City by the Authority until the Authority has fully reimbursed the City for the costs of the MTF Bonds and the Bonds and any amounts advanced by the City to debt service on the TIFA Bonds.

9. The Bonds shall be in substantially the following form subject to such changes as to ministerial form as may be reasonably requested by the transfer agent and further subject to (i) changes permitted by Section 6 of this resolution upon transfer from the MMBA and (ii) such other changes as shall be required to effectuate sale to MMBA provided such changes are not prohibited by the terms of this resolution:

> UNITED STATES OF AMERICA STATE OF MICHIGAN COUNTY OF WAYNE CITY OF INKSTER MICHIGAN TRANSPORTATION FUND **REFUNDING BOND, SERIES 2001**

> > Issue

Dollars

Date of Maturity Original Interest Rate Date

Registered Owner: Michigan Municipal Bond Authority

Principal Amount:

The City of Inkster, County of Wayne, State of Michigan (the "City"), for value received, hereby promises to pay to the Registered Owner specified above, or registered assigns, the Principal Amount specified above, in lawful money of the United States of America, on the Maturity Date specified above, unless prepaid prior thereto as hereinafter provided, with interest thereon from the Date of Original Issue or such later date to which interest has been paid, until paid, at the Interest Rate per annum specified above, first payable on [February 1, 2002] and semiannually thereafter. Notwithstanding any other provision of this bond, so long as the Michigan Municipal Bond Authority (the "MMBA") is the owner of this bond, (a) this bond is payable as to principal, premium, if any, and interest at the principal corporate trust office of National City Bank of Michigan/Illinois, Troy, Michigan, or at such other place as shall be designated in writing to the City by the MMBA (the "MMBA's Depository"); (b) the City agrees that it will deposit with the MMBA's Depository payments of the principal of, premium, if any, and interest on this bond in immediately available funds at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise; (c) written notice of any redemption of this bond shall be given by the City and received by the MMBA's Depository at least 40 days prior to the date on which such redemption is made.

This bond is one of a series of bonds of even Date of Original Issue aggregating the principal sum of _____, issued for the purpose of defraying the costs of refunding part of the City's outstanding Michigan Transportation Fund Bonds, dated December 21, 1994 in accordance with a resolution duly and regularly adopted by the City Council of the City on September 12, 2001 and pursuant to the provisions of Act 175, Public Acts of Michigan, 1952, as amended.

[The bonds of this issue are subject to optional redemption in whole or in part in such order as the City shall determine, in integral multiples of \$5,000 on any date permitted by law on or after August 1, 2004 at the following redemption prices (expressed as percentages of their principal amounts), plus accrued interest to the redemption date:

Redemption Period During Which Redeemed Price August 1, 200___ to July 31, 200___, inclusive August 1, 200___ to July 31, 200___, inclusive August 1, 200___ and thereafter

Except as provided above, notice of redemption shall be given to the registered owners of bonds or portions thereof called for redemption by mailing of such notice not less than thirty (30) days prior to the date fixed for redemption to the registered addresses of the registered owners of record. Bonds shall be called for redemption in multiples of \$5,000 and bonds of denominations of more than \$5,000 shall be treated as representing the number of bonds obtained by dividing the denomination of the bond by \$5,000, and such bonds may be redeemed in part. Bonds or portions thereof so called for redemption shall not bear interest after the date fixed for redemption provided the City has money available for redemption.

In case less than the full amount of an outstanding bond is called for redemption, the transfer agent described in the above described resolution, upon presentation to it of the bond called for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.]

Sound Off

continued from page 4 **Terrorist attack was** against America, not

against callers

How about everyone forgetting about their attacks against each other for awhile and remembering the greater and more important attack against America?

If America goes, so will the Sound Off column, whatever freedoms we have, your ability to gossip and condemn me (which you call, "freedom of speech") and all

So, if you want to preserve your right to condemn me in print, then join hands and sing, "God Bless America." That means God bless

Caller can't figure out voters or the silent recall people

SOUND OFF EXTRA

Well, here we go again. The good people of this city went out and gave us an opportunity to have independent people, new ideas, and what do they get paid back with? William Wild and Joe Eadeh coming through the primary. Pickering quit and you want him back.

I'll never figure out the voters in this city, but if I were the recall people, I would be hollering.

They need to stop the squabbling apparent in the press and get it together before the idiots take

I for one will move out of this city if we get the likes of Eadeh, Wild, and Pickering.

By the way, anyone happening on over to Canton for lunch on a given day might run into Eadeh having lunch with Cox, Griffin, Scott, and Shaw. How about it councilman, what's up with that?

I'm calling for you great investigative reporters to pull some campaign finance records and print them for all to see, then it won't just be speculation any longer. Are you game?

Angry about Sound Off regarding woman mayor for Westland

I'm a reader who purchases your paper every week. I was very angry to read a Sound Off in your paper from some gentleman named Ed pertaining to a woman never becoming a mayor. It offended me very much. I have children who read the paper. I will never read the paper again.

It's about time that we have a woman mayor.

This was trash. What kind of man is this?

McKinney criticized for frequent council speaking and letter

McKinney get a life. Talk about power hungry. because you worked on a recall

Here's a clue, we don't. I think getting up six or seven times and getting on television during council meetings is just

that happened to win, all of a about all most can take. Now sudden you think everyone you're taking over the press too.
Wants to know your opinion.

You're getting as bad as that

You're getting as bad as that Todd lady. Good thing you dropped out of the council election. It might have been embar-

Continued from page A-6

This bond and the interest thereon are payable from the proceeds of State-collected taxes returned to the City for highway purposes pursuant to law, or in case of insufficiency of said funds, out of the general funds of the City, including collections of ad valorem taxes on all taxable property in the City which the City may be authorized to levy, subject to applicable constitutional, statutory and charter tax rate limitations, and the resolution authorizing the bonds contains an irrevocable appropriation of the amount necessary to pay the principal of and interest on the bonds of this issue from moneys derived from such State-collected taxes so returned to the City for highway purposes which have not been theretofore specifically allocated and pledged for the payment of indebtedness. This bond is of equal standing with other bonds issued by the City payable from said State-collected taxes, and the City reserves the right to issue additional bonds payable from said State-collected taxes within the limitations prescribed by law.

This bond is not a general obligation of the State of Michigan.

This bond is transferable only upon the books of the City kept for that purpose at the office of the transfer agent by the registered owner hereof in person, or by the registered owner's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the transfer agent duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new registered bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the resolution authorizing the bonds of this issue, and upon the payment of the charges, if any, therein prescribed.

It is hereby certified and recited that all acts, conditions and things required to be done, exist and happen, precedent to and in the issuance of said series of bonds of which this is one, in order to make them valid and binding obligations of the City, have been done, exist and have happened in regular and due form and time as required by law, and that the total indebtedness of the City, including the series of bonds of which this is one, does not exceed any constitutional, statutory or charter limitation.

IN WITNESS WHEREOF, the City of Inkster, County of Wayne, State of Michigan, by its City Council, has caused this bond to be signed in the name of the City with the manual signatures of its Mayor and its City Clerk and the City seal to be affixed hereto, all as of the Date of Original Issue.

NOTICE OF SPECIAL ELECTION MONDAY, OCTOBER 1, 2001 VAN BUREN PUBLIC SCHOOLS - COUNTIES OF WAYNE AND WASHTENAW, MICHIGAN

TO THE QUALIFIED ELECTORS OF THE SCHOOL DISTRICT:

NOTICE IS HEREBY GIVEN that a special election will be held in Van Buren Public Schools, Counties of Wayne and Washtenaw, Michigan, on Monday, October 1, 2001, between the hours of 7:00 a.m. and 8:00 p.m. prevailing Eastern Time.

The following proposal will be submitted to the electors at the election on Monday, October 1, 2001:

NON-HOMESTEAD PROPERTY TAX OPERATING MILLAGE PROPOSITION

This millage will renew the District's levy of operating millage, which expires with the 2001 levy, as reduced by statute to the rate of 17.8884 mills (\$0.178884 on each \$1,000 of taxable value) against non-homestead property and restore the District's statutorily reduced operating millage to 18 mills by 0.1116 mills (\$0.1116 on each \$1,000 of taxable value) such that the District may continue to levy not more than the statutory maximum of 18 mills against non-homestead property required for the school district to receive its revenue per pupil foundation guarantee.

Shall the millage previously approved by the electors as an assessment against all property in Van Buren Public Schools, Counties of Wayne and Washtenaw, except homestead property and qualified agricultural property as defined by law, as statutorily reduced to 17.8884 mills (\$0.178884 on each \$1,000 of taxable value) be continued for five (5) years, 2002 to 2006, inclusive, and be increased by 0. 1116 mills (\$0.1116 on each \$ 1,000 of taxable value) for a period of five (5) years, 2002 through 2006, inclusive, to provide in part the funds to operate and maintain the school system? This is a renewal of the school's operating millage and a restoration of the Headlee Reduction for 2002 through 2006 inclusive. It is estimated that the revenue the school district will collect if the millage is approved and levied in the 2002 calendar year shall be approximately \$10,452,000 from the local taxes authorized in this proposal.

NOTICE IS FURTHER GIVEN that the following statements have been received from the County Treasurers of the Counties of Wayne and Washtenaw as to previously voted increases in the constitutional tax rate limitation affecting taxable property in the School District, to wit:

STATEMENT AS REQUIRED BY ACT 278 OF PUBLIC ACTS OF 1964 Amending the Property Tax Limitation Act

I, RAYMOND J. WOJTOWICZ. Treasurer of Wayne County, Michigan, do hereby certify that, as of September 9, 2001, the total of all voted increases in excess of the Constitutional fifteen mill tax rate limitation and the years such increases are effective are as follows affecting the taxable property of Local Unit:

VANBUREN PUBLIC SCHOOLS City of Belleville and Townships of Canton. Sumpter and Van Buren

Local Unit	Date of Election	Voted Increases	Years Increases Effective
County of Wayne	August 8, 2000	1 mill	2001 thru 2009
Wayne County Regional Educational Service	August 6, 1974	1 mill	2001 Indefinitely
Agency	November 8, 1988	1 mill	2001 Indefinitely

Luxury apartments ready to lease on Van Born

By ANN PARKER MCN Staff Writer

If you have driven up or down Van Born Road, near Fourth Street lately, you have probably seen PineWoods Village. The official address is 34200 PineWoods Circle, Romulus 48174.

The 144 unit apartment community, containing 2 and 3 bedroom luxury units, sits on a beautiful 16 acre site, surrounded by lots of trees, colorful flowers, and small ponds that will likely attract an array of water fowl.

The 2-bedroom units have 1,000 square feet and the 3-bedroom units have 1,350 square feet. Cathedral ceilings are available and both types of units have oversized windows, providing for lots

tion.

in the following manners:

forces.

By Mail:

have vertical blinds.

Every building contains 12 units, with the two 3-bedroom units on each end. Each unit has a private entrance with ceramic tile foyers, and 1-2 patios or 1-2 balconies, depending on the unit selected.

The kitchen has a classic passthrough design, with a breakfast bar, and comes equipped with top of the line G. E. appliances - a refrigerator, a range, and a dishwasher. There is also a full-sized washer and dryer in each unit. Water is included in the rent.

Every unit will have two Hollywood bathrooms - one full size and one half size, each with medicine cabinets and vanity mirrors.

Tenants can avoid having to

by renting a carport for \$20/month or garage space for \$50/month.

Feel like having a tailgate party? PineWoods Village will have a clubhouse with a fully equipped kitchen, a natural fireplace, and plush furniture to lounge on while you watch your favorite team on the big screen TV. Fitness buffs can work out in the 24-hour controlled entry exercise room, filled with state-of-the-art equipment.

The clubhouse will also have an on-site business center, fully equipped with state-of-the-arts technology, including high-speed Internet access, a copier and a fax machine.

Tenants and their guests will be able to swim and play in the complex's outdoor resort-class pool, with its sundeck and plush landscaping; close by will be a regulation volleyball court and a picnic area.

Eesam Arabbo, president of S & S Builders, Inc., knows just what the working person needs one stop convenience - a home environment that has all the amenities necessary to keep the stress level down.

Everyone wants a comfortable living space that offers some degree of privacy; in-house laundry facilities: an outdoor environment that's appeasing to the eye and the ear; some opportunity to engage in recreational activities close to home; and the ability to perform job/school related activities at home.

Arabbo has more than 20 years of building experience. He has built both single and multi-family units, and has dabbled in retail and commercial development.

Some of Arabbo's more recent projects, include a 36-unit condominium complex, in Southfield; renovation of a 54-unit apartment

of cross ventilation. All the units shovel their cars out in the winter, building and 2-single family housing developments, in Dearborn.

Arabbo selected Village Green Companies to serve as the property manager/leasing agent of Pinewood Village. Village Green Companies brings with it a wealth of experience and business con-

Village Green Companies has been managing properties since 1919. The company presently manages nearly 25,000 units throughout the midwest.

For the first time ever, Village Green Companies, with the approval of S & S Builders, Inc., is offering tenants an opportunity to get into a lease equity program. For a mere \$30 enrollment fee, tenants can assure themselves of having a minimum downpayment on a home once they leave PineWoods Village.

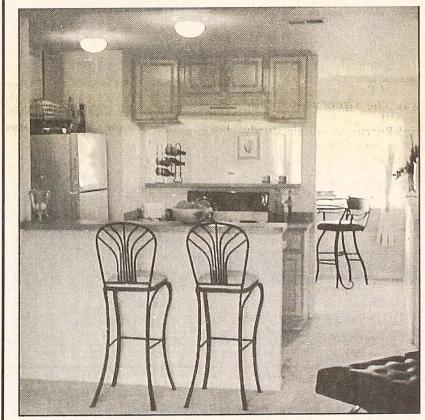

Tenants receive up to 10 percent of their rent, up to \$2,000, within 30 days after they move out of PineWoods Village. The rebate check does not have to be used to purchase a home, it can be used for any purpose - a car, a vacation, education, or to pay bills.

According to Justin Dunkel, Regional Marketing Director, S & S Builders, Inc. is delivering a building for occupancy every 21 days. The entire project should be completed within 10 months.

Village Green is pre-leasing units at PineWoods Village at a rate of approximately 10-12 a month. Anyone who pre-leases a unit, gets to take advantage of the built-in 6 percent discount of the market rate.

Currently, the range is \$930 -\$1,000 for a 2-bedroom unit and \$1,130 - \$1,210 for a 3-bedroom

To take a walk through of the model units, call the leasing agent at (734) 727-4934.

Glenn victory closer to showdown with Harrison

Walled Lake Central, Farmington stand in way

By TOM MOORADIAN MCN Staff Writer

After an impressive 21-12 victory over an inspired North Farmington Friday night, Westland John Glenn moved one victory closer to a showdown with the state's No. 1 team, Farmington Hills Harrison.

Coach Chuck Gordon's Rockets, who have won all three of their Western Lakes, Lakes Division games, must get past Walled Lake Central, at Central, Friday night. Then, a week from Friday, Oct. 5, the Westlanders will host Farming-

ton for their Homecoming. If the first Rockets win both, they would face Harrison on Oct. 12, for the conference championship.

Harrison is an overwhelming favorite to win the Western Division title in the Western Lakes Conference.

Glenn had its problems against North Friday night and didn't manage to put away their Lakes' opponent until late in the third quarter when the Rockets erupted for two touchdowns which gave them a two TD cushion.

Glenn got on the scoreboard

With 3:17 left in the opening quarter, junior quarterback Brian Ceckiewicz put together a fourplay, 45-yard drive that ended with a 19-yard touchdown pass to senior wide receiver Andrew Peif-

Peiffer also contributed the point-after.

North responded with the ensuing kickoff. The hosts scored their first of the first half on a seven-play, 70-yard drive with 45 seconds to spare before the halftime.

Thanks to defensive back Brian

Ajlouny, who blocked North's at- through to reach the North end tempt for the point-after, the Westlanders managed to maintain the lead (7-6).

The two teams failed to score in the second quarter. When the game resumed after the intermission, Glenn bolted into the lead 21-6 before North scored its final TD.

After an exchange of punts early in the third period, the Rockets recovered a fumble deep in North territory. It took Glenn three plays, but sophomore running back De'Anthony Granberry managed to find a hole that he breezed

Granberry's TD covered 19 yards and again Peiffer came through with the point-after kick

Ajlouny, a multi-talented athlete who was named to the MCN's All-Area baseball team last Spring, figured in Glenn's third score when he intercepted a delinquent North pass and returned it 27 yards.

On the first play from scrimmage, tailback Tony Davis scored after splitting between the North tackle and end.

Granberry led Glenn's rushers with 91 yards on 15 carries and one touchdown. Davis, who had seven attempts, finished with a touchdown and 72 yards.

The edge in first downs went to Glenn, 11-8.

On defense, Will Massey, a 220pound, 6-3 senior defensive end, was credited with one interception and he also several initial hits. Teammates Mike Stafford, Nick Seymour, and Granberry also earned kudos for their performances on defense from their

Tigers keep Romulus winless

Belleville couldn't have found a more opportune time to put its game together.

Coach Bob LaPointe and the Tigers had a Homecoming crowd on hand Friday night and a young Romulus ball club that was riding the crest of a four-game losing streak.

Although the Eagles had beaten Wayne Memorial in their season opener, the game was forfeited to Wayne because the Eagles reportedly used an ineligible player. They haven't won a game in their four previous starts.

And Belleville kept it that way. The Tigers wasted little time as senior quarterback Jerriel Burrus, using his sturdy and speedy fullback Marcellus Terry to ram the Romulus defenses, led the Tigers to a 17-7 first half en route to a 30-19 vic-

The victory boosted the Romulus quarterback Charles Tigers' record to 3-1 in the Mega-Red. They're 3-2 overall.

"I thought we played an excellent game against them," said LaPointe. "We made our share of mistakes but they were not crucial."

Terry had an exceptional game against the Eagles as he scored three of his team's four touchdowns on runs of 24, 2 and 18. He had 100-plus yards rush-

Burrus accounted for the fourth TD. He bolted through the Romulus line for a 35-yard TD sprint, using the option as a can-opener to pry himself loose.

Romulus sophomore Coach Wade Cook said that he wasn't disappointed in his team's per-

"Yes, I am disappointed that we didn't win, but not at our players," Cook later said. "We have a young team here and these kids are playing very

Searcy (above, with ball) hands off to one of his running backs who goes straight up the middle before he is greeted by Belleville defenders. In the photo below, Belleville senior running back Trevor Stanberry (7) straightarms Brandon Dawson, a linebacker, before picking up a hunk of yardage. Stanberry and the Tigers managed to keep the visiting Romulus winless, 30-19, while enhancing their own record to 3-1 in the Mega Conference, Red Division. Belleville travels to Dearborn Edsel Ford Friday night for a conference crossover, while Coach Wade Cook and the Eagles will entertain a strong Wyandotte squad for Homecoming. Photos

Home isn't sweet to Wayne

By TOM MOORADIAN

MCN Staff Writer

Home just isn't sweet this season to Coach Floyd Carter and the Wayne Memorial Zebras.

Wayne's two losses this season have been on the home turf. Their latest setback, a 22-6 defeat Friday night at the hands of Garden City, hurt because, according to coach Carter "we just didn't play well."

Carter also said he had no explanation for the inept play against Garden City.

The Zebras will still need three more victories to qualify for the playoffs, and with four games left, it won't be an easy task, especially since Ypsilanti and natural rival, John Glenn, are waiting down the

"They've (Ypsilanti) won their last two, and it's homecoming for them this Friday," Carter said. "You know they're going to be prepared and come at us with everything them have.

"We just can't afford another

letdown like we had against Gar- co Dimichelle missed the point-afden City. We have to bounce back."

Garden City had won its opener with Crestwood, then dropped three consecutive games, but to premier area teams like Belleville, Wyandotte, and Dearborn Fordson before running head-on into the Zebras.

"They came in here hungry," said Carter. "We weren't mentally prepared for them."

But, ironically, it looked as if the Zebras would run all over their visitors. On the first play of the game, Wayne's Darian Mitchell scored.

A "man-in-motion" penalty against Wayne in that first minute of the game seemed to set the stage for the Mega Conference encounter. The penalty nullified Mitchell's, first-play from the

scrimmage, touchdown. Three minutes later, Garden City was on the scoreboard with their first of three TDs.

Kris Brownlee scored on a spectacular 74-yard run, but Marter, so with 9:56 on the clock, the Jaguars were up 6-0.

Dimichelle redeemed himself on the next series when a 56-yard, 12-play drive stalled and Garden City went for a field goal. Dimichelle came through on a 27yard kick to lift the visitors to a 9-0 lead with 2:54 left.

It went from bad to worst for the Zebras who gave up a third quarter touchdown to Scott Reeter Reeter polished off a 46yard, seven-play drive with a seven-yard TD run.

Brownlee kept the drive alive when he provided the Jaguars with a big first down on a six-yard

Garden City quarterback Jason Wright combined with Adam Stupyra on a 24-yard strike that accounted for Garden City's final TD of the game and moved the visitors in front, 22-0.

Wayne came back with T.J. Dillard's 74-yard touchdown run, but that was with four seconds left in

Mitchell led Wayne's ballcarriers. He rushed for 68-yards on 17 attempts.

In their loss, there was some good news for Carter and the Zebras. Zachary Lappan, on the sidelines with a pre-season injury, has returned to the Wayne lineup.

Although the junior quarterback was rusty in his first start - he hit on three of his 17 passes - Lappan may prove valuable to the team in the stretch run for a playoff bid.

Wayne's Jonathon Edwards, Maurice Jackson, Chris Cox, and Kevin Lindsey stood out on defense. Cox again had a team high 12 tackles, seven of those were initial hits. Edwards came through with six initial and three assists.

But it was Brownlee who walked off the gridiron with a season's high of 167-yards rushing on 24 attempts and one touchdown.

The Jaguars also had a total of 16 first downs to Wayne's eight and compiled a total of 330-yards

Salem coach has his 1st win

Five weeks into the 2001 high school football season, first-year head football Coach Bob Cummings has his first victory.

"It has been four frustrating and disappointing weeks for all of us around here," said Plymouth-Salem's Bob Cummings after the Rocks held on to beat Farmington, 18-12, before a Plymouth-Salem Homecoming crowd. "It's my first victory as head coach here, and it feels great." Two in a row for Cummings

and Salem? The Rocks would have to stop a highly-potent Stevenson aerial assault on the Livonia high school's gridrion to achieve that goal. It is a mission not impossible, but the Salem coach says his secondary would have to be on its toes.

"They have an excellent passing attack, and we're obviously going to have to stop it if we want the next one," Cummings said. "They have an excellent team over there, and I believe that they have won two of their five games.

Plymouth-Salem will enter the sixth week of competition with a 14 overall record.

Friday night, before their homecoming fans, Salem got down to work early as senior quarterback Scott Hewitt put together a 75-yard drive in nine plays after the opening kick-off that culminated in sophomore running back Mike Kerul slipping through the Farmington defensive net from five-yards out for the opening score.

The initial series also featured a 40-yard up-the-middle dash by senior back Myron Covington.

Drew Bringley's attempt for the extra-point sailed wide, leaving the Rocks the lead (6-0).

Salem's lead dissipated quickly as Farmington responded in its series after the kickoff. They tied it at 6-all before the close of the first quarter

But the Rocks got a break when Farmington fumbled deep in its territory early in the second quarter with Salem's defensive tackle, junior David Hull, recovering the ball on the Farmington 20.

On the first play from scrimmage, Covington again broke loose on an off tackle play. He sprinted into the end zone for his first TD of the game.

The Rocks opted for the twopointer and this time Covington was stopped by a horde of Farmington defenders.

Salem widened the margin to 18-6 early in the third quarter when Hewitt put together a 63yard drive that Covington capped with a 15-yard touchdown sprint. Covington, a 6-2, 200-pound se-

nior, continued to sparkle on offense. He compiled another 100plus yards rushing, finishing with 109 on 23 carries and two touch-

Hewitt also kept the Farmington defense busy. He had 11 carries for 31 yards, while junior back Jason Lewis added 30 yards for his three attempts.

Cummings praised the overall team defense, and he also singled out Hull, who had a couple of key sacks, caused a fumble and recovered the ball to set up Covington's TD, for his exceptional play.

Hull's teammates John Early, a 6-0, 220-pound senior middle linebacker, and Zach Jensen, a 6-1, 235-pound nose guard, also were commended by the coach for their

Mistakes hurt Inkster, Robichaud

Any hope for Robichaud and coach Mark Medlock to build momentum Friday after their victory over natural rival Inkster were put quickly to rest by a fast-moving Taylor Kennedy machine that crushed the Bulldogs, 30-8, in a Mega Conference crossover game.

The Bulldogs didn't help themselves a bit in this one - they gave up two of the five Kennedy touchdowns via interceptions.

In the meantime, while Robichaud (1-4) had its hands full with Kennedy (2-3), Inkster and coach Troy Kyles bounced back from their disappointing loss to Robichaud and made undefeated and Mega Conference, Gold Division leader, Highland Park, sweat before losing a 12-6 thriller.

Striking first, the Kyles's Vikings got on the scoreboard in the opening quarter. After an exchange of punts, Inkster quarterback Brandon Dawson and receiver Dwayne Jones teamed up on a 45-yard pass-run play that hit paydirt and lifted the Vikings to a 6-0 lead.

Highland Park rallied and tied the score before the end of the initial half, then the Parkers went on to score on junior fullback Jevon Perry's second touchdown of the game.

Perry's nine-yard run gave Highland Park (5-0) its fifth victo-

"We had our opportunities to win this one, but didn't capitalize on them," said Kyles, who is in his first year as head coach at Inkster High. "They (Highland Park) are undefeated and have an excellent team.

"However, we played them right down to the final moment. Our kids have nothing to be ashamed of in this loss.

The Vikings' record dipped to 14 overall and 1-3 in the confer-

Against the Parkers, Inkster's defensive end, Eric Casey, managed to collect two sacks, along with eight tackles. Teammate, Chris Larkins, a middle linebacker, finished with seven tack-

Of the 82 yards that the Vikings managed to pick up against a stingy Highland Park defense, Dawson accounted for

Inkster will attempt to regroup Friday and will host Trenton in its next Mega-Conference game.

Robichaud awaits a listless Annapolis, which also has had its share of problems this year. The Cougars are winless in their five outings this season.

GIRLS BASKETBALL

Inkster's streak reaches 26, longest in state

33-point second period rips Thurston

Exploding for a season's high 33 points in the second period, Inkster crushed Redford Thurston, 83-42, en route to a record-setting, reportedly best in state (26th) consecutive girls' basketball victory.

Lansing Everett, which won the Class A state title a year ago, and was riding a 25-game winning streak before losing last week, surrendered the honor of holding the longest win streak in the state to Coach Dave Mann and the Inkster Vikings.

"It is my understanding that, with Everett's loss, our current streak of 26 successive victories is now the longest in the state," said Mann. "It's a honor, of course, but it also is setting us up for a team to knock us off.'

Thurston gave it a shot. The Eagles stayed within range for the first period and trailed 21-11 after

one. But with Laelah Qawee scoring nine of her 11 and Keisha Young tossing in eight of her game high 21 points in a 33-point second quarter, the Vikings bolted to a 54-18 halftime advantage. The outcome of the game was never in doubt after the initial

Mann emptied his bench early in the third period,, and all of the Vikings contributed to the recordsetting victory.

Young, a freshman, scored a career high 21 points.

"I am very pleased with her progress," said Mann of the freshman. "She has a lot of talent."

Inkster also had a third player, Brittany Evans, score in double figures. Evans chipped in with 14. Inkster was scheduled to play

Trenton Tuesday night for its Mega Conference, Red Division debut. Trenton has an exceptional girls' basketball program and could snap the Vikings' incredible streak

On Saturday, Inkster will host Grosse Pointe North at 12:30, in a make-up game postponed because of the Sept. 11 tragedy in New York and Washington D.C.

Rockets fall in OT to Wayne

No matter how the rest of the basketball season goes for Coach Wayne Woodard and Wayne Memorial, they have manage to pull out a cliffhanging, 50-43, victory in overtime over neighboring Westland John Glenn and own the school district's title.

"We got off to a horrendous start against them (Glenn), and it took us nearly all of the first half before we played the kind of basketball I know this team is capable of playing," said Woodard. This was a hard-fought game on both sides, and we were fortunate

Led by Bianca Woods and Jennifer Thebault, the Rockets worked to a 15-4 lead in the first period, but then they hit a scoring drought and didn't recover. Wayne closed the gap to 18-12 at the half. The Westlanders widened the gap with a 14-10 third quarter and entered the final quarter of the regulation game up, 32-22.

Amber Henn then sparked a Wayne rally and erased the

deficit in the closing minutes and momentarily took a lead by two. But Thebault, who made seven of eight crucial fourth period free throws, sank both ends of a oneand one to tie the game at 39 with 14 seconds left.

Henn was fouled on the return trip and had an opportunity to seal it at the free throw line with seven seconds left. She missed, sending the game into OT.

In the extra period, Wayne outscored Glenn 11-4 for the vic-

Sophomore Renita Price scored a Wayne high 11 points, while Henn finished with 10 for the Zebras who made a mere 14 of 34 at the free throw line. Woods' 15 points stood up as the game's high. The Rockets also had their problems at the free throw line where they made 14 of

Wayne failed to build on its momentum as Willow Run turned back the Zebras in the Mega Conference, Blue Division opener, 45-40, on Thursday. Close most of the way, the Flyers forged ahead, 16-14, and led by as much as 11 points in the first half before Wayne closed to seven, 28-21, before the intermission

Wayne missed easy under-thebasket putbacks and layups that could have broken the game wide open in the third quarter.

"It was a disappointing loss for us," said Woodard afterward. 'This is one game that should

have been ours."
Price again led all scorers. She

fired in 16 points. Wayne will take on Allen Park on Thursday in the downriver high school's gym. The Zebras entered the week with a 2-5 overall record.

Romulus picks up 2 victories

Sparked by Patrice Beasley's game and season's high 22 points and getting 11 points each from Debrah Anderson and Ashley Sibley, Romulus turned back Gibraltar Carlson, 62-48, in a Mega Conference crossover

Beasley, an outstanding athlete who also stars in track, managed to pick up six steals in the victory that the Eagles led from start to

Romulus had a 11-point (14-3) lead after one period and widened the margin to 32-16 at the half. Giving the bench ample playing time in the second half, first year coach Rhonda McAllister saw her team take a commanding 53-23 lead for three peri-

Earlier in the week, Romulus got 13 points from sophomore center Alicia Harbor who led the Eagles to a 49-23 victory over Taylor Kennedy in the Mega-Blue opener for both teams.

The 5-9 Harbor also swept the boards for 14 rebounds. Beasley chipped in with 11 points and had five steals while teammate Narvika Wise sank 11 points for the Eagles who may be putting in overtime at the free throw line during practice after they made only six of 18 offerings at the foul stripe against Kennedy.

"Harbor played well for us," said McAllister. "I felt we played a much improved game. But we must continue to improve in order to win.

On Tuesday, the Eagles took on Fordson and on Thursday they'll travel to Redford Union for their second test in the Blue Division.

CITY OF WAYNE

Motion by McEachern, supported by Shackelford and unanimously carried, it was resolved to adopt Ordinance 2001-23, an ordinance to amend the codified ordinances of the City of Wayne, as follows:

ORDINANCE NO. 2001-23

AN ORDINANCE TO AMEND THE CODIFIED ORDINANCES OF THE CITY OF WAYNE

THE CITY OF WAYNE ORDAINS:

Section 1.

THAT THE CODIFIED ORDINANCES OF THE CITY OF WAYNE BE AMENDED BY AN AMENDMENT TO PART EIGHT, BUSINESS REGULATION AND TAXATION CODE; CHAP-TER 860, PUBLIC SHOWS, CARNIVALS, CIR-CUSES, REVIVALS, PUBLIC ASSEMBLIES AND EXHIBITIONS; 860.04, REFERENCES; INSPEC-TIONS; COUNCIL APPROVAL; RESTRICTIONS; HOURS OF OPERATION

860.04 (c)

(c) No public show, carnival, circus, revival, public assembly or exhibition, including games, rides and food and drink concessions, shall begin earlier than 11:00 a.m., nor shall they be open to the public later than 11:00 p.m. No public show, carnival, circus, revival, public assembly or exhibition applied for under this chapter may be longer than four days in

Section 2.

That this Ordinance shall be published as required by law.

Section 3.

That this Ordinance shall become effective ten days after enactment and upon publication thereof.

Mary E. Carney City Clerk

Adopted: September 20, 2001 Published: September 27,2001 Effective: September 30, 2001

ABSTRACT WAYNE CITY COUNCIL MEETING NO. 2001-30 **SEPTEMBER 18, 2001**

National Bar Association pays tribute to Judge James

Judge Sylvia A. James, Chief Judge of the 22nd District Court in Inkster, and the immediate past chairperson of the Judicial Council of the National Bar Association, was honored recently at the 30th anniversary of the Judicial Council.

The 76th annual NBA convention was conducted in Dallas.

Judge James, a lifelong resident of Inkster and a product of the Inkster Public Schools, is the second jurist from Southeastern, Michigan to lead the Judicial Council. She received awards and tributes at the reception held in chase by the public. To address administrative systems...'

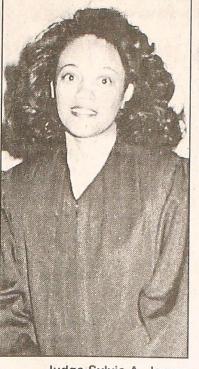

Under Judge James's leadership, several innovative and monumental achievements were instituted by the national organization. The Judicial Council premiered a documentary film chronicling the history of the Judicial Council entitled: 30 Years of Trials, Tribulations and Triumphs. The video will air to the public next year during Black History Month.

Also, a book: Black Judges in America, First Edition was un-

The book is available for pur-

the dearth of minority law clerks, the council also launched a Law Clerk Internship program placing African American law students with distinguished jurists throughout the country in hopes of preparing them for post-graduate clerkships

Founded in 1971, the Judicial Council is comprised of over 1600 distinguished African American jurists from across the country. Its mission is to assist in the "eradication of racial and class bias from the judicial and law enforcement process...improve the judicial, managerial and

Recreation commissioners plan recognition program

By THEOLA JONES MCN Special Writer

Members of the Inkster Parks and Recreation Commission have completed their plans for an inaugural Recognition Pro-

Commissioners stress that the long-overdue program is a way of saying "thank you" to those who have given unselfishly of their time and energies to help build a positive image of community and the city's recreation programs.

'Special' lady honored

A 'special' lady recently receives a special honor.

Rose Rountree Stewart, a lifelong resident of Inkster, is considered to be a very special lady. She has devoted her life to her church and her community.

Stewart is also a distinguished member of the Smith Chapel A. M. E. Church where the Dr. E. J. Parker, III, is the pastor.

When the first group of eight people met to organize the church, Rose Stewart, just a small child at the time, attended the meeting with her parents, Mr. and Mrs. Brister Rountree (now deceased) and became intrigued with the people who were in-

Today, Rose is the sole survivor of that group. She also happens to be the longest membership in the

Recently, she was honored by a church organization, "The Senior Citizen's Circle", who presented her with red roses and a plaque during the celebration of the 20th Annual Party hosted by the group. Attending the ceremony was State Representative Jim Plakas and longtime Wayne County Commissioner Kay Beard.

The plaque was presented to Rose Rountree Stewart at the Hawthorne Valley Country Club.

Robichaud loses '2' Kennedy, Allen Park

Robichaud dropped to pair of heartbreaking decisions last week as Highland Park rallied in the final period Tuesday to hand Coach Warren Woods' Bulldogs a 51-37 loss, while Taylor Kennedy came from behind to nip them, 43-41 in Mega Conference, Gold Division girls' basketball.

"It's heartbreaking to lose, especially when you see victory snatched from right beneath your feet," said Woods. "These girls are playing their hearts out and it hurts to see them lose.

Sophomore Tamika Winfrey scored a team high 10 points against the Parkers, who led 23-13 at the half before the Bulldogs came back and closed the gap to

The Parkers pulled out of danger with an 18-10 scoring advantage in the final quarter.

Winfrey was the only Robichaud player to hit in double figures. However, the Bulldogs received eight points each from LaDonna Nealy and Lauren

Trammell. Robichaud led by as much as 17 points before Kennedy outscored them 21-3 in the last period to pull out a 43-41 victory. Robichaud built up a 22-14 lead at half and increased its advantage for three to 39-22 before Kennedy's defense held the Bulldogs to three points in the last period.

The program will begin at 6:30 p.m. on Friday, Oct. 12, at the Booker T. Dozier Parks and Recreation Complex, at 2025 Middlebelt Road.

Six community service organizations will be honored by the Recreation Commission, according to the commissioners.

The six groups include: Gamma Phi Delta Sorority; Alpha Kappa Alpha Sorority; Delta Sigma Theta Sorority, Zeta Phi Beta Sorority; The Optimist Club of Inkster and the Top Ladies of Distinction, Inc.

Recreation Commissioner Martin Bryant, who has been named as the chairperson for the program, said that "the organizations have contributed in many resourceful and helpful ways over the years, specifically to the programs sponsored by the Recreation Commission."

Martin added that, "the planned recognition reception is one way of saying 'thank you' to the members of these organizations for extending a helping hand whenever and wherever needed by the commission.'

With Rose Rountree Stewart during a special ceremony honoring the lifelong resident for her service to her church and community are State Representative James Plakas (at left) and Wayne County Commissioner (center). Photo by Theola Jones
